Guaco
Martinete Coronado
Yellow-crowned Night-Heron
Nyctanassa violacea
Nocturno; caza crustáceos a las orillas de agua
Nocturnal; hunts crustaceans along shorelines

Patillo o Alcatraz
Pelicano Pardo
Brown Pelican
Pelecanus occidentalis
Navega con las olas, y se sumergen para pescar
Navigates using waves, and feeds on fish by plunge diving

Tijeras
Fragata Magnifica
Magnificent Frigate Bird
Fregata magnificens
Infla su bolsa gular roja para atraer una pareja
Inflates red gular sac in order to attract a mate

Garza
Garceta Bueyera
Cattle Egret
Bubulcus ibis
Come insectos perturbados por ganado
Eats insects flushed by grazing cattle

Gallinazo
Gallinazo Negro
Black Vulture
Coragyps atratus
Vuela alto, come carroñera, y le falta sentido del olfato
Flies high, feeds on roadkill, and has no sense of smell

Tijereta
Elanio Tijereta
Swallow-tailed Kite
Elanoides forficatus
Cola larga como tijeras; vuela alto y graciosamente
Long, forked tail; flies gracefully high above canopy

Gavilán
Gavilán Campestre
Roadside Hawk
Buteo magnirostris
Se percha a los lados de los caminos y las calles
Often seen perched on roadsides

Guacharaca
Chachalaca Cabecirrufo
Rufous-headed Chachalaca
Ortalis erythroptera
Grande como un pavo, y en grupos; muy ruidosa
Large, turkey-sized bird found in groups; very noisy

Cuello Negro
Cigüeñuela Cuellinegra
Black-necked Stilt
Himantopus mexicanus
Busca comida en charcos y lugares lodosos
Probes in ponds and mud for food

Paloma o Frijolera
Tortolita Azul
Blue Ground-dove
Claravis pretiosa
Característico ruido de aleteo de paloma
Wingbeats make characteristic fluttering, pumping sound

Cachete Rojo o Lorito
Perico Caretirrojo
Red Masked Parakeet
Aratinga erythrogyas
Casi amenazado, tráfico para mascotas
Near threatened status due to pet trade traffic

Guauera
Loro Alibronceado
Bronze-winged Parrot
Pionus chalcopterus
Vuelan en grupos, y se perchan en árboles muertos
Fly in groups, and perch on dead snags

Platanera
Cuco Ardilla
Squirrel Cuckoo
Piaya cayana
Se mueve saltando de rama en rama en el dosel
Moves squirrel-like, hopping branch to branch in canopy

Garrapatero
Garrapatero Piquiestriado
Groove-billed Ani
Crotophaga sulcirostris
Se percha sobre ganado, comiendo garrapatos
Commonly perch on cattle from which they eat ticks

Búho o Lechuza
Mochuelo del Pacifico
Pacific Pygmy-Owl
Glaucidium peruanum
Nocturnos; canto una repetición rápida de "pew pew pew"
Nocturnal; song of rapidly repeating "pew pew" notes

Chotacabras
Pauraque
Pauraque
Nyctidromae albicollis
Nocturnos; hace saltos del suelo con ruido como burbujas
Nocturnal; flushes from the ground making popping noise

Chupa flor, Colibrí

Amazilia Ventrirrufa
Amazilia hummingbird
Amazilia amazilia

Usa su largo pico para chupar el néctar de los flores
Uses long bill to suck nectar from flowers

Cuja

Trogón Ecuatoriano
Ecuadorian Trogon
Trogon mesurus

Se perchan en parejas sin moverse por un largo período
Often perch in pairs motionless for long periods of time

Carpintero

Carpintero Guayaquileño
Guayaquil Woodpecker
Campephilus guayaquilensis

Picotea los árboles y vive en huecos adentro de estos
Drills holes in trunks using bill; nests in trunk cavities

Matraca

Martín Pescador Grande
Ringed Kingfisher
Megaceryle torquata

Se perchan cerca de agua, y se sumergen para pescar
Found perched or flying over water, and dives for fish

Culebrero o Barranquero

Momoto coroniazul
Blue-crowned Motmot
Momotus momota

Se posa en ramitas, su cola se mueve como péndulo
Perched in branches, moves tail like a pendulum

Pichilingo

Arasari Piquipálido
Pale-Mandibled Aracari
Pteroglossus erythropygius

En grupos; comen frutas, insectos y pichones
Often in groups; eats fruits, insects and baby birds

Paletón

Tucán Chocó
Chocó Toucan
Ramphastos brevis

En grupos, gritando desde el dosel de los árboles
Often heard in groups yelping from tops of trees

Carpintero

Trepatroncos Pardo
Plain-Brown Woodcreeper
Dendrocincla fuliginosa

Siempre trepando arboles buscando insectos
Always climbing the trunks of trees searching for insects

Hornero

Hornero del Pacífico
Pacific Hornero
Furnarius cinnamomeus

Ruidoso y terrestre; nidos de lodo en forma de horno
Loud and terrestrial; build oven-shaped mud nests

Chawis o Chawisa

Soterrey Criollo
House Wren
Troglodytes aedon

Cerca de las casas; canta fuertemente todo el día
Near buildings; sings loudly and musically all day

Reinita

Reinita Grisidorada
Gray-and-gold Warbler
Basileuterus fraseri

Vive en el interior de los bosques; canta todo el día
Lives in the forest interior; sings throughout the day

Azulejo

Tangara Azuleja
Blue-gray Tanager
Thraupis episcopus

En arboles en áreas abiertas con otras especies de aves
Found in trees in open areas with other species of birds

Cacique

Cacique Lomiamarillo
Yellow-rumped Cacique
Cacicus cela

Nidos colgados cerca de avispas para protección
Hanging colonial nests often by wasp nests for protection

Chacota

Pastorero Peruano
Peruvian Meadowlark
Sturnella bellicosa

En potreros y sembríos; solo machos con pecho rojo
Found in pastures and fields; only males with red breast

Bolsero

Bolsero Coliamarillo
Yellow-tailed Oriole
Icterus mesomelas

A menudo canta sonoramente junto a las calles
Often found singing sweetly along roadsides

Chango o Negrofilo

Negro Matorralero
Scrub Blackbird
Dives warszewiczii

Ruidoso, en sembríos y asentamientos humanos
Noisy and found in agricultural and settled regions
